

HaloLite H1

Cap Lamp

The HaloLite H1 Miners' Cap Lamp utilises the latest LED and Li-ion battery technologies to provide cost effective, reliable bright light. Housed in durable plastic the lamp is extremely robust, completely waterproof and tamper-resistant. The lamp is fitted with auxiliary LEDs to extend the light duration when battery levels are low, and the plug & play cable replacement system makes maintenance quick and easy. Yellow to blue colour temperature options are available as well as extra high-output LEDs.

Approvals and certification:

- SA DME PN:72
- EX ia I/IIC T 4 – Explo Labs
- Certex mark carrier
- IEC: 62013 – 1:2002
- IP: 6804

Features and benefits:

- Robust design
- Waterproof
- Plug & play cable replacement
- Low maintenance
- Bright light output
- 1/7th the weight of lead acid lamps
- Numbering plate pocket
- 80x longer lamp life
- Wide range of chargers available
- 4 Ah Battery

TECHNICAL SPECIFICATIONS

Main LED duration	>12 hours
Auxiliary LED duration	>195 hours
Battery dimensions	106x90x42mm
Total weight	525g
Charging time	<10 hours
Charging voltage	>5V
Lux	>3000
Charging cycles	>500 times
